Dear Mr. Daly:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Senate Public Records Office by the response date noted above.** An itemization of the information needed follows:

-Schedule A of your report discloses one or more contributions that appear to exceed the limits set forth in the Act. You should examine all your contributions to check for additional excessive contributions.

An individual or a political committee other than a qualified multi-candidate committee, a National Party Committee, or a State, District, & Local Party Committee (combined limit) may not make a contribution to a candidate for federal office in excess of \$2,100 per election. You have disclosed two contributions from IUPAT Member and Family Fundraising PC Account totaling \$9,000. This entity terminated its registration with the Commission on 6/30/04, and thus, is no longer qualified as a political committee. Please amend your report to verify the source of these contributions and if necessary, update the contributor information if they were disclosed incorrectly. If any contribution you received exceeds the limits, you may have to refund the excessive amount.

Excessive contributions may be retained if within sixty (60) days of receipt, the excessive portions are properly redesignated. Guidelines are provided below:
